

Amsterdam

& highlights of The Netherlands

6 days 5 nights £485 per person*

**Departs: Sunday
24th June 2018**

The word "Netherlands" means low-lying country and over half of the area is below sea level. It is a country with an iconic landscape, visionary architecture, windmills and of course the legacy of Dutch Masters such as Rembrandt, Frans Hals and Van Gogh to name just a few. Our tour includes a full day in Amsterdam, undoubtedly one of Europe's great destinations, often referred to as one of the most colourful cities in the world. Here numerous art galleries, museums and other fascinating attractions just waiting to be discovered.

Fletcher Hotel Amersfoort

Located in a park area on the outskirts of the historic town of Amersfoort, the Fletcher Hotel makes an ideal base for our tour. Bedrooms are en-suite and equipped with television. The restaurant features a terrace overlooking the green courtyard and the nearby forest and there's also a cosy lounge in which to relax.
