

Volunteering Week

Mon 7 – Sun 13 March

Drop in between 2pm and 4pm every day to find out about volunteering opportunities at Martin Mere.

We have a whole host of opportunities if you would like to help our visitors get an amazing experience, from being on the welcome and information desk, helping out on the canoe safari, in the craft room or weekend pond dipping.

From one day a week, alternate weekends to just helping out in school holidays, we have the role for you!

Learning Team

Calling all retired teachers!

We need enthusiastic people to help deliver our education programmes to schools, as well as maintenance volunteers to maintain the areas used by schools.

Volunteer outdoors

Grounds and Facilities Teams

There are a range of roles available to work with the outdoor teams including the need for a mechanic to perform vehicle checks, gardening roles and handy people to assist the facilities team.
