Tate St Ives

The hub of art for the art and artists of Cornwall, the Tate St Ives looks over Porthmeor beach and is home to modern work by British artists with links to the St Ives area. The perfect blend of inspiring art and stunning scenery meet at Tate St Ives, overlooking the Atlantic Ocean. Iconic art works by celebrated figures, including Sandra Blow, Peter Lanyon and Patrick Heron will show you the correlation between wider events in art history and artists associated with St Ives.

Barbara Hepworth Museum

'Finding Trewyn Studio was a sort of magic', wrote Hepworth. 'Here was a studio, a yard and garden where I could work in open air and space'. This sentiment continues still today, as the Barbara Hepworth Museum preserves and reflects the life and works of Hepworth, allowing visitors to see the studio and garden much as they were when she lived and worked there.

St Ives Bay Hotel

St Ives Bay Hotel is located right on the beachfront. The stunning beaches are not all that St Ives has to offer, you can visit the world class Tate art gallery, take a trip to Land's End or maybe see the historical St Michael's Mount Castle. The St Ives Bay Hotel has 87 bedrooms, with a selection of single, twin, double and family rooms available and has a restaurant where you can enjoy your breakfast and dinner or maybe you fancy a drink and a snack in the hotel bar.
